

# 江苏苏豪国际集团扬州有限公司

JIANGSU SOHO INTERNATIONAL GROUP YANGZHOU CO., LTD.

ADD: 8th /F., TOWER4, WEST CITY SUPERIOR BUILDING PLAZA, NO.  
303 WEN HUI WEST ROAD, YANGZHOU 225001, JIANGSU, CHINA

## Material Safety Data Sheet

### SOAP

#### 1. Identification of substance/preparation and company

Trade name:

SOAP

Use of substance/preparation

Industry sector: cosmetics

Type of use: hand and body cleaning

Identification of the company

Jiangsu SOHO International Group Yangzhou co.,ltd

8th /f ., tower 4, west city superior building plaza,

No. 303 Wenhui West Road, Yangzhou 225001, Jiangsu, China

Telephone no.: 0086-514-85103666

Fax: 0086-514-85103000

Emergency telephone no.: 0086-13951057212

#### 2 composition / information on ingredients

Chemical characterization:

## (Formula No.: 130709-1)

INCI NO.	CAS NO.	Rate(%)
sodium palmitate	408-35-5	55
SODIUM PALM KERNELATE	61789-89-7	25.1
AQUA ( WATER )	7732-18-5	15.5
Glycerin	56-81-5	3.7
Citric Acid	77-92-9	0.2
EDTA (ethylene diamine tetraacetic acid)	64-02-8	0.2
Titanium Dioxide	13463-67-7	0.2
Sodium Chloride	7647-14-5	0.1
		<b>100.00</b>

### 3. Hazards identification

Skin: no special hazard risk under normal use.

Ingestion: may cause irritation of the digestive tract.

Inhalation: low hazard for usual industrial handling.

### 4. First-aid measure

Eye contact: instantly with substantial water washing 10 minutes min.

Ingurgitation: with water thoroughness gargle, and drinking substantial water.

Doctor suggest: based on symptom treatment

## **5. Fire fighting**

Restraint: no restriction

Fire hazard/explosion hazard: none

Main combustion: none

## **6. Leak emergency treatment**

Individual protection: not need

Environment protection measure: not need adopt special protection measure

Leak treatment ways: with water washing

## **7. operate dispose and storage**

Occupational health: avoid gobble up 、 inspire 、 eye contact. Avoid ingestion and inhalation. stand to well Industrial hygiene habit and legislation operator

Fire measures: not need adopt special measures

Storage requires: storage in cool and dry

Isolate measure: not need adopt special measure

Technicality protection measures

Storage conditions: room temperature storage

## **8. Contact control and personal protection**

Personal protection

Radical personal protection: none

## **9. Physical chemical property**

Form: Solid

Color: White

Odour: NO

Related safety data

Flashing point: N/A

Self sustained combustion : not

Oxidizing property: not

Vapor pressure: not

Solid content ,%:  $\geq 83$

Moisture & Volatile Content(103+\_2°c),%  $\leq 15$

## 10. Stability and reactivity

Avoid contact condition: N/A

Avoid contact matter: not mixture with anion surface activator

Harmful decomposition product: don't release anyone in normal storage condition

## 11. Toxicological information

Acute toxicity:

-LD50 mouth:  $> 5000\text{mg/kg}$  (rat)

Person directed dysaesthesia: none

Carcinogenicity: There is limited evidence that this material causes cancer in animals and humans.

Supplementary information: toxicological data measure、subacute、toxicological reaction, do salutation and malformation

## 12. Ecology information

Resumc: easy biological degradation

Total bacterial count: 三 IOcfuJg

Yeast and mold: 三 IcfuJg

Pathogenetic fungus: N/A

Resume: nonpoisonous and harmless to aquatic organism

Effect to effluent treatment: non-restraining effect

### 13. Disposal considerations

ProdUCI In accordance with regulations for special waste, must be taken to a special waste disposal site.

### 14. Transport information

NOI reSlricled

### 15. Regulatory information

Labeling in accordance wi 出 the standard European regulations

Hazard \arning labeling compulsory

Provisionallabeling

### 16. Other information
