

| 1. Identification             |                       |
|-------------------------------|-----------------------|
| Product name                  | GEARMASTER SYN 220/NA |
| Other means of identification | No data available.    |
| Recommended use:              | Lubricating fluid     |
| Restrictions on use:          | Industrial use only   |
|                               |                       |

## Manufacturer/Importer/Supplier/Distributor Information

#### Manufacturer

| Company Name:   | Fuchs Lubricants Co.   |
|-----------------|------------------------|
| Address:        | 17050 Lathrop Avenue   |
|                 | Harvey, Illinois 60426 |
| Telephone:      | 708-333-8900           |
| Fax:            | 708-333-9180           |
|                 |                        |
| Contact Person: | EHS Department         |
| E-mail:         | msds@fuchs.com         |

Emergency telephone number: 708-333-8900 (Bus. hrs) 800-255-3924 (24 hrs)

## 2. Hazard(s) identification

## **Hazard Classification**

## Health Hazards

| Skin Corrosion/Irritation         | Category 2  |
|-----------------------------------|-------------|
| Serious Eye Damage/Eye Irritation | Category 2A |

#### Label Elements

Hazard Symbol:

Signal Word:

Warning

Hazard Statement:

Causes skin irritation. Causes serious eye irritation.

#### Statement

| Prevention:                | Wash thoroughly after handling. Wear protective gloves/protective clothing/eye protection/face protection.   |
|----------------------------|--|
| Response:                  | If in eyes: Rinse cautiously with water for several minutes. Remove contact<br>lenses, if present and easy to do. Continue rinsing. If eye irritation persists:<br>Get medical advice/attention. IF ON SKIN: Wash with plenty of water. If skin<br>irritation occurs: Get medical advice/attention. Specific treatment (see the<br>specific response guidance provided herein). Take off contaminated<br>clothing. |
| Other hazards which do not | None.  |

## result in GHS classification:

| Unknown toxicity Health                  |         |
|--|---------|
| Acute toxicity, inhalation, dust or mist | 82.50 % |
| Acute toxicity, inhalation, vapor        | 99.99 % |
| Acute toxicity, dermal                   | 10 %    |
| Acute toxicity, oral                     | 10 %    |

## 3. Composition/information on ingredients

#### Hazardous Component(s):

| Chemical name | CAS-No.      | Concentration |
|---------------|--------------|---------------|
| Polyol ester  | Confidential | 5 - 10%       |

Specific chemical identities and/or exact percentages have been withheld as trade secrets.

# 4. First-aid measures Ingestion: Call a Poison Center or doctor if you feel unwell. Rinse mouth. Inhalation: Move to fresh air. Call a Poison Center or doctor if you feel unwell. Skin Contact: Remove contaminated/saturated clothing and shoes. Wash contact areas with soap and water. If skin irritation occurs: Get medical advice/attention. Eye contact: Immediately flush with plenty of water for at least 15 minutes. If easy to do, remove contact lenses. Get medical attention. Most important symptoms/effects, acute and delayed Most important symptoms/effects, acute and delayed

Symptoms: No data available.

Indication of immediate medical attention and special treatment needed MSDS\_US - R00000451271

| Treatment:   | Get medical attention as appropriate or if symptoms persist.   |
|--|--|
| 5. Fire-fighting measures  |  |
| General Fire Hazards:  | No unusual fire or explosion hazards noted.  |
| Suitable (and unsuitable) extingu  | lishing media  |
| Suitable extinguishing media:  | Water spray, fog, CO2, dry chemical, or regular foam. Use fire-<br>extinguishing media appropriate for surrounding materials.  |
| Unsuitable extinguishing media:  | Do not use water jet as an extinguisher, as this will spread the fire.   |
| Specific hazards arising from the chemical:  | Heat may cause the containers to pressurize and possibly rupture. During fire, gases hazardous to health may be formed.  |
| Special protective equipment an  | d precautions for firefighters   |
| Special fire fighting procedures:  | No data available.   |
| Special protective equipment for fire-fighters:  | Firefighters must use standard protective equipment appropriate for industrial fires.  |
|  |  |
| 6. Accidental release measures   | S  |
| 6. Accidental release measures<br>Personal precautions,<br>protective equipment and<br>emergency procedures:   | s<br>See Section 8 of the SDS for Personal Protective Equipment. Do not<br>handle damaged containers or spilled material unless wearing appropriate<br>protective clothing. Keep unauthorized personnel away.  |

## 8. Exposure controls/personal protection

| Exposure Limits           |  |
|---------------------------|--|
|                           | None of the components have assigned exposure limits.  |
| Protective Measures:      | Provide easy access to water supply and eye wash facilities. Good general ventilation should be provided. Ventilation rates should be matched to conditions. If applicable, use process enclosures, local exhaust ventilation, or other engineering controls to maintain airborne levels below recommended exposure limits. If exposure limits have not been established, maintain airborne levels to an acceptable level. |
| Respiratory Protection:   | In case of inadequate ventilation use suitable respirator. Seek advice from supervisor on the company's respiratory protection standards.  |
| Eye Protection:           | Wear safety glasses with side shields (or goggles).  |
| Skin and Body Protection: | Wear chemical-resistant gloves, footwear, and protective clothing appropriate for the risk of exposure. Contact health and safety professional or manufacturer for specific information.   |
| Hygiene measures:         | Always observe good personal hygiene measures, such as washing after<br>handling the material and before eating, drinking, and/or smoking. Routinely<br>wash work clothing to remove contaminants. Contaminated work clothing<br>should not be allowed out of the workplace. Discard contaminated footwear that<br>cannot be cleaned. Avoid contact with skin, eyes, and clothing.   |

## 9. Physical and chemical properties

| Appearance  |                       |
|---|-----------------------|
| Physical state:                                       | Liquid                |
| Form:   | No data available.    |
| Color:  | Amber                 |
| Odor:   | Mild petroleum        |
| Odor threshold:                                       | No data available.    |
| pH:   | No data available.    |
| Melting point/freezing point:                         | No data available.    |
| Initial boiling point and boiling range:              | No data available.    |
| Flash Point:  | 176.67 °C (350.01 °F) |
| Evaporation rate:                                     | No data available.    |
| Flammability (solid, gas):                            | No data available.    |
| Upper/lower limit on flammability or explosive limits |                       |
| Flammability limit - upper (%):                       | No data available.    |
| Flammability limit - lower (%):                       | No data available.    |
| MSDS_US - R00000451271                                |                       |

| Explosive limit - upper (%):             |
|--|
| Explosive limit - lower (%):             |
| Vapor pressure:                          |
| Vapor density:                           |
| Relative density:                        |
| Solubility(ies)                          |
| Solubility in water:                     |
| Solubility (other):                      |
| Partition coefficient (n-octanol/water): |
| Auto-ignition temperature:               |
| Decomposition temperature:               |
| Viscosity:                               |
|  |

No data available. No data available. No data available. No data available. 0.95

Insoluble No data available. No data available. No data available. No data available. > 22 mm2/s (40 °C)

## 10. Stability and reactivity

| Reactivity:                            | Not reactive during normal use. |
|--|---------------------------------|
| Chemical Stability:                    | No data available.              |
| Possibility of Hazardous<br>Reactions: | None under normal conditions.   |
| Conditions to Avoid:                   | Avoid heat or contamination.    |
| Incompatible Materials:                | No data available.              |
| Hazardous Decomposition<br>Products:   | formaldehyde                    |

## 11. Toxicological information

| 12. Ecological information                |   |
| General information:                      | This product has not been evaluated for ecological toxicity or other environmental effects.   |
| 13. Disposal considerations               |   |
| Disposal instructions:                    | Discharge, treatment, or disposal may be subject to national, state, or local<br>laws. Dispose of waste at an appropriate treatment and disposal facility in<br>accordance with applicable laws and regulations, and product<br>characteristics at time of disposal. It is the responsibility of the product user<br>or owner to determine at the time of disposal, which waste regulations must<br>be applied. |
| Contaminated Packaging:                   | Empty containers should be taken to an approved waste handling site for recycling or disposal.  |
| 14. Transport information                 |   |

This material is not subject to transport regulations.

## 15. Regulatory information

## **US Federal Regulations**

### US. OSHA Specifically Regulated Substances (29 CFR 1910.1001-1050)

None present or none present in regulated quantities. Lead Kidney Acute toxicity

Acute toxicity Central Nervous System Blood Reproductive toxicity

Arsenic Skin Liver Acute toxicity Respiratory irritation Nervous system Cancer

Cadmium

Acute toxicity Lung Kidney Cancer

#### Superfund Amendments and Reauthorization Act of 1986 (SARA)

#### Hazard categories

Immediate (Acute) Health Hazards

#### SARA 313 (TRI Reporting)

None present or none present in regulated quantities.

16 Other information including date of preparation or last revision

### **US State Regulations**

#### US. California Proposition 65

This product contains chemical(s) known to the State of California to cause cancer and/or to cause birth defects or other reproductive harm.

| To other information, including date of preparation of last revision |   |
